

# Outdoor Challenge

Beavers	Cubs	Scouts
<b>1. Go on a sleepover or a camp with other Beavers.</b>	<b>1. Take an active part in at least three nights away, on camps or Pack holidays.</b>	<b>1. Take an active part in at least eight nights away as a Scout. Four of the nights should be camping.</b>
<b>2. Whilst there do at least two of these:</b>	<b>2. While you're away, work with other Cubs to do all of these tasks:</b>	<b>2. While you're away, work with other Scouts do the other tasks on this list.</b>
help put up a tent	help to pitch and strike your tent	With others, pitch and strike your tent.
set up your bed and sleeping bag	show that you know how to keep your tent and kit safe, tidy and secure	Lead, or help to lead, a group of Scouts to set up a well-organised site. It should include sleeping tents, food and equipment stores, a fire or stove, kitchen and eating area.
cook something on a fire	cook a meal with your Six	Prepare and light an open fire or set up a suitable stove. Use it to prepare, cook and serve a meal safely.
	build a shelter big enough for two Cubs	
	learn and follow the Countryside Code	Understand the three points of the Countryside Code. Show what action you can take to follow the code.
wash up after dinner	show that you know how to look after yourself and be safe at camp	Find out why personal and campsite hygiene is important. What should you do to be hygienic?
collect wood and help to build a fire		Show how to use an axe, saw or knife safely. You can choose any or all of these tools.
	show you know what things you need to do to look after your campsite, and that you can put them into practise	Explore the environment of your camp and make sure you know where everything is. Respect the environment you are in and, at the end of the camp, leave the site as you found it.
3. Show that you: know what to do if someone has an accident, know why it is important to tell an adult when an accident happens and can do simple first aid for someone who has a cut or bruise	show that you know how to treat mild burns, scalds, cuts or grazes and make a call to the emergency services.	Find out what accidents and incidents can happen outdoors or during your camp. Show how you would deal with them.
2. Learn how to tie three simple knots.	using bamboos canes, rubber bands or simple lashings complete a simple pioneering project or make a camp gadget	Using knots that you have learned, build a simple pioneering project, object or camp gadget.
	<b>3. While you're away, do at least two of these tasks as well:</b>	<b>3. Complete at least four of these tasks:</b>
		Provide a service commitment to the site for about an hour.
play a wide game	take part in a wide game	Take part in a wide game.
sing songs around a fire	take part in a campfire sing-along or other entertainment	Take part in a campfire or other entertainment.
		Working with others, successfully complete a two-hour activity or project.
		Plan a balanced menu for a short camp.
		Lead the cooking of a meal for the group.
		Show that you know the safety precautions for using lamps and stoves.
	cook a backwoods meal	Cook a backwoods meal with the group.
	build a bivouac and sleep in it	Build a bivouac and sleep in it.
	care for your personal equipment while at camp	Show how to pack a rucksack correctly, with appropriate kit for the camp or event.
	using knots that you've learned, make a simple camp gadget, like a flagpole.	
4. Take part in an activity using natural things like leaves, bark, twigs, sand or rocks.		
5. Point out and name five different types of animal, insect, bird or fish that you might find near where you live. Find out about the food they eat and the places they might live.		
6. Make something to help animals in the wild. It could be a bird box or a bug hotel.
